Laredo* EC

EPA Reg. No. 62719-412

EPA 24(c) SLN No.: WA-020026

For Control of Rusts (*Puccinia* spp.) and Powdery Mildew (*Erysiphe graminis*) in Perennial Ryegrass, Fescues and Kentucky Bluegrass Grown for Seed

(For Distribution and Use Only Within Washington State)

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the product container before applying. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label attached to the product container.

Directions for Use

Laredo* EC fungicide is a systemic curative and protectant fungicide. For best results applications should be made on a regularly scheduled protectant spray schedule, starting at the first sign of disease development and continuing until the threat of further disease development is past. Apply 8 to 12 fluid ounces (0.125 to 0.187 pounds active) of Laredo EC in a minimum of 20 gallons of water per acre for ground application or, in a minimum of 10 gallons of water per acre for aerial application. Begin applications in early spring or when disease symptoms are first noticeable and continue applications on a 14- to 21-day application schedule.

Crop		Target Pest	
Perennial ryegrass	<i>Lolium</i> spp.	Rusts	<i>Puccinia</i> spp.
Fescues	<i>Festuca</i> spp.		
Kentucky bluegrass	<i>Poa pratensis</i>	Powdery mildew	<i>Erysiphe graminis</i>

Restrictions

- **Do not** apply Laredo EC within 1 year (365 days) of harvesting grass hay.
- **Do not** graze livestock in treated fields within 1 year (365 days) of application of Laredo EC.
- **Do not** apply more than 48 fluid ounces product (0.75 pounds active) per acre per year.
- **Chemigation:** For use under this SLN label do not apply this product through any type of irrigation system.

Expiration date: This label for Laredo EC expires and must not be distributed or used in accordance with this SLN registration after December 31, 2007.
