

Download this completed form to the HONR 399 Portal. The guidelines for you to complete this process are in the [Honors Thesis Guide](#).

1) Please describe your Honors Thesis. What are the creative activities, research questions, and/or design features that are foundational to your thesis?

2) Explain why you are interested in this topic.

3) How will you complete your Honors Thesis? How will you discover answers to research questions, create artistry, and/or develop design projects?

4) Include an annotated bibliography with at least six peer-reviewed resources. An annotated bibliography should include 1) the bibliographic information, 2) a summary of the journal article or resource, and 3) a short explanation of how each resource fits into your Honors Thesis.

5) Describe the final format of your Honors Thesis.
