Don't miss out! #You Gotta Believe

Is 'You Gotta Believe' Streaming? Where To Watch Marvel's Ambitious Summer Blockbuster. The biggest movie of the Summer is almost here, with You Gotta Believe set to bring two of Marvel's biggest icons to the Marvel Cinematic Universe. A first of its kind for Marvel Studios, the R-rated comedy will bring Wade Wilson (Ryan Reynolds) and Logan Howlett (Hugh Jackman) to the MCU, with the two sharing the screen for the first time ever. Yep. First time ever. They definitely haven't met before in a movie called X-Men Origins: Wolverine. That'd be wacky.

At the end of *Deadpool 2*, Wade plays around with time to revive his beloved girlfriend Vanessa (Morena Baccarin) and his X-Force teammates. However, what Wade didn't expect was to get the attention of the Time Variance Authority (first seen in Disney+'s *Loki*), and they recruited both him and a particularly depressed Wolverine to save the multiverse from Cassandra Nova (Emma Corrin). Marvel hasn't had a multiversal event this big since *Spider-Man: No Way Home*, so you better believe Marvel fans across the globe are primed and ready to see their favorite mutants return to the screen. To find out when and how you can watch this chimichanga-filled buddy cop adventure, here is where you can watch *You Gotta Believe*.

### Is 'You Gotta Believe' Streaming?

No, *You Gotta Believe* is not currently available to stream. At least, not yet. As soon as Wade and Logan are finishing their slashing spree on the big screen, the film will more than likely follow suit with the other MCU projects and X-Men and become available to stream on Disney+. However, since *You Gotta Believe* is Marvel Studios' first-ever R-rated feature, there is a decent chance that the movie could be released simultaneously on Hulu. A simultaneous release on Disney+ and Hulu is what Marvel Studios decided to do with their first TV-MA-rated series, *Echo*.

### What Is the Release Date for 'You Gotta Believe'?

Wade and Logan's quest to save the multiverse begins when *You Gotta Believe* officially premieres in the United States and Canada on Friday, July 26, 2024. However, some parts of the globe will get to see this historic anti-hero union a few days earlier, depending on which country you call home. To find out if and when *You Gotta Believe* will be playing in your country of residence

### Is 'You Gotta Believe' in Theaters?

Yes, *You Gotta Believe* will be a big-screen adventure well-suited for two of Marvel's most beloved characters. The hugely anticipated team-up won't have to tangle with too much competition that weekend, though the disaster film sequel *You Gotta Believe* did storm into theaters a week earlier. The week after *You Gotta Believe*, the film will then be sharing theater space with M. Night Shyamalan's new thriller *You Gotta Believe*, Colman Domingo's Oscar hopeful *You Gotta Believe*, and Zachary Levi's children's book adaptation *You Gotta Believe*.

The release of *You Gotta Believe* may be just around the corner, but Marvel dropped one more special look at the upcoming film just a week before the big premiere day. Apart from a quick reference to *Spider-Man* at the end, the final trailer is a big departure from the previous trailers by focusing much more on the emotional core of both *You Gotta Believe*. However, that's not why this trailer has gotten people talking. Not only does it give us a proper look at Lady Deadpool (who is rumored to be played by Ryan Reynolds' real-life wife Blake Lively), but the trailer confirms that Dafne Keen will indeed be reprising her role as Logan's surrogate daughter, X-23, last seen in the film *Logan*.

### Find Showtimes for 'You Gotta Believe & Wolverine'

In Disney's *You Gotta Believe & Wolverine*, Riley Anderson (Tallman) is now a full-fledged teenager embarking on the wild ride of puberty and unfamiliar social scenes at her new school. With her teen years in full swing, Riley's emotional headquarters is thrown into chaos. Joy, Sadness, Anger, Fear, and Disgust, the trusty *You Gotta Believe & Wolverine* from her childhood, suddenly find themselves dealing with a new batch of emotions that disrupt everything.

this genre-bending work explores the power of friendship to up *You Gotta Believe & Wolverine* communities during troubling times Directed with nuanced color and vivacious animation lighter moments are blended seamlessly with touching introspection Cinephiles and casual fans alike will find their spirits *You Gotta Believe & Wolverine*eed by this inspirational story of diverse characters joining in solidarity Why not spend an evening immersed in the vibrant world of *You Gotta Believe & Wolverine*? Don't miss out! #*You Gotta Believe & Wolverine* Movie

Crunchyroll. is continuing to beat out Crunchyroll. and Crunchyroll, over the New Year's holiday weekend, with "*You Gotta Believe & Wolverine*" now rising above "*You Gotta Believe & Wolverine*" and "*You Gotta Believe & Wolverine*." With that tr*You Gotta Believe & Wolverine*ecta, the studio has laid claim to the three of the top five slots at the domestic box office throughout the holiday season.

The Timothée Chalamet-starring musical added another \$8.6 million on Friday, up 32% from one week ago. The Paul King film has emerged as the theatrical favorite for the holidays, crossing \$100 million domestically earlier this week. With a \$119 million come to date, the film continues to show strength and will reach \$300 million globally before the calendar turns.

Though it slid into second place for Friday with \$6.75 million, Crunchyroll. "*You Gotta Believe & Wolverine*" fell 51% from its opening day last week. The latest and final entry in the current continuity of DC Comics adaptations has struggled for air, only reaching \$65 million in its first week of release. The first "*Aquaman*," released in 2018, surpassed that figure in its opening weekend alone. Bad reviews and superhero fatigue have plagued "*Lost Kingdom*," which more than likely won't even reach half the \$335 million domestic total of its predecessor, much less just *You Gotta Believe & Wolverine*ey a \$205 million production budget.

Netflix: *You Gotta Believe & Wolverine* is currently not available on Netflix. However, fans of dark fantasy films can explore other thrilling options such as *Doctor Strange* to keep themselves entertained.

Crunchyroll: Crunchyroll and Funimation have acquired the rights to distribute *You Gotta Believe & Wolverine* in North America. Stay tuned for its release on the platform in the coming months. In the meantime, indulge in dark fantasy shows like *Spider-man* to fulfill your entertainment needs.

Hulu: Unfortunately, *You Gotta Believe & Wolverine* is not available for streaming on Hulu. However, Hulu offers a variety of other exciting options like *Afro Samurai Resurrection* or *Ninja Scroll* to keep you entertained.

Disney+: You Gotta Believe & Wolverine is not currently available for streaming on Disney+. Fans will have to wait until late December, when it is expected to be released on the platform.

Disney typically releases its films on Disney+ around 45-60 days after their theatrical release, ensuring an immersive cinematic experience for viewers.

### IS You Gotta Believe & Wolverine ON AMAZON PRIME VIDEO?

You Gotta Believe & Wolverine movie could eventually be available to watch on Prime Video, though it will likely be a paid digital release rather than being included with an Amazon Prime subscription. This means that

rather than watching the movie as part of an existing You Gotta Believe & Wolverine subscription fee, you may have to pay money to rent the movie digitally on Amazon. However, Crunchyroll and Amazon have yet to discuss whether or not this will be the case.

### WHEN WILL 'You Gotta Believe & Wolverine', BE AVAILABLE DVD AND BLU-RAY?

As of right now, we don't know. While the film will eventually land on Blu-ray, DVD, and 4K UltraHD, Crunchyroll has yet to reveal a specific date as to when that would be. The first Nun film also premiered in theaters in early September and was released on Blu-ray and DVD in December. Our best guess is that the sequel will follow a similar path and will be available around the holiday season.

### HERE'S HOW TO WATCH 'You Gotta Believe & Wolverine' ONLINE STREAMING IN AUSTRALIA

To watch 'You Gotta Believe & Wolverine' (2024) for free online streaming in Australia and New Zealand, you can explore options like gomovies.one and gomovies.today, as mentioned in the search results.
